As in the SPARS Pandemic scenario, this exercise involved an outbreak of a highly infectious coronavirus, but the primary (if not sole) focus of the exercise was how to control information and keep "misinformation" in check, not how to effectively discover and share remedies. We now know this censorship was illegally directed by U.S. government officials, including Dr.

Tellingly, the Catastrophic Contagion exercise focused on getting leadership in African countries

African nations just so happened to go "off script" more often than others during the COVID

As a result, vaccine makers now face the problem of having a huge control group, as the COVID jab

Now, the Catastrophic Contagion exercise predicts SEERS-25 will kill 20 million people worldwide,

including 15 million children, and many who survive the infection will be left with paralysis and/or

brain damage. In other words, the "cue" given is that the next pandemic will likely target children

This is an interesting coincidence, seeing how rates of toddlers and young children hospitalized

with influenza and respiratory syncytial virus (RSV) is already spiking. **COVID Jabs Are Destroying People's Immune Systems** 

Coincidentally, over the past year, researchers have been warning that the COVID jabs may be dysregulating and destroying people's immune systems, leaving them vulnerable to all sorts of infections. According to a study posted on the preprint server medRxiv in May 2021, the Pfizer/BioNTech COVID jab "reprograms both adaptive and innate immune responses, causing

Covid is a Global Propaganda Operation

**COVID Is a Global Propaganda Operation** 

In the video above, 12,13 initially published in August 2021, professor Piers Robinson, Ph.D., an expert on communication, media, world politics and the role of propaganda, spoke to Asia Pacific Today about propaganda in the age of COVID. As noted by Robinson, COVID-19 is unquestionably the largest, most sophisticated propaganda operation in history. Psychological techniques were extensively used during 2020 to incite fear in the population, while other persuasion strategies were used to get people to support and defend COVID measures such as masking, isolation, social distancing, lockdowns and jab mandates.

Indeed, propaganda is what allowed for draconian and unscientific COVID measures to be

death — it quickly became apparent that this was not the case, and likely never was.

**How Did Gates Become the High Priest of the COVID Narrative?** 

In related news, Politico recently published a special report<sup>14</sup> detailing how Gates, who has no

medical expertise whatsoever, ended up controlling the global COVID response with no oversight to

In collaboration with the WHO, these four NGOs — three of which were founded by Gates — then set out to create a global distribution plan for the tests, drugs and injections they'd invested in. Incidentally, Gates at that time was also the largest donor to the WHO, as then-President Trump had

If a modified enterovirus gets added into the mix, it's not difficult to see how parents might get spooked enough to start lining their kids up for more shots including parents in African nations. **Why Manufactured Pandemics Will Continue** At this point, it's quite clear that "biosecurity" is the chosen means by which the globalist cabal intends to seize power over the world. The WHO is working on securing sole power over pandemic response globally through its international pandemic treaty which, if implemented, will eradicate the sovereignty of all member nations. Ultimately, the WHO intends to dictate all health care. December 13, 2022, the WHO announced Sir Jeremy Farrar, head of the Wellcome Trust — who colluded with Dr. Anthony Fauci to suppress the COVID lab-leak narrative — has been chosen as its new chief scientist.11 The WHO's pandemic treaty is the gateway to a global, top-down totalitarian regime, a one world government. But to secure that power, they will need more pandemics. COVID-19 alone was not enough to get everyone onboard with a centralized pandemic response unit, and they probably

That digital ID, then, will be tied to your social credit score, personal carbon footprint tracker, medical records, educational records, work records, social media presence, purchase records, your bank accounts and a programmable central bank digital currency (CBDC). Once all these pieces are fully connected, you'll be in a digital prison, and the ruling cabal whether officially a one world government by then or not — will have total control over your life from cradle to grave.
